Yeovil Country Park is a short walk from Yeovil Town Centre. A cycleway and footpath connects the park with Sherborne Road (A30) and Pen Mill train station. Parking is available at Goldenstones Leisure Centre BA20 1QZ, Yeo Leisure Park BA20 1NP and the Gateway Church BA20 1QN. Refreshments and toilets are available close to the route.

There are two easy access trails through the park - either taking in waterside views from level tarmac, or through woodland on a more challenging mixed terrain path in Ninesprings Victorian valley gardens.

**Facilities**
- **Parking** charges may apply
- **Visitor Centre** with cafe and fully accessible public toilets

**Directions**
- **Accessible** from town centre
- **Visitor Centre** - 01935 462462
- **Postcode** - BA20 1QZ
Yeovil Country Park Accessible Routes

Flat River Walk 3 miles/ 5 km

This level, tarmac route follows Dodham Brook and the river Yeo through the country park, on the old railway track. It passes lakes, meadows and woodland from Lysander Road to Sherborne Road. The route is flat with the exception of a small humpback bridge.

Go to the Ninesprings Visitor Centre for a coffee and to find out more about the wildlife and heritage of the park. There are other refreshment points along the way.

A more difficult route, marked in a dashed red line on the map, goes into the heart of the Victorian valley gardens. The slope at the start of this route is the steepest part.

Challenging Route
This route follows the tarmac path up a hill into the woodland at Ninesprings. As the path enters the woods it becomes compacted gravel and can be muddy in patches during the winter and bad weather. The trail ends where the stream crosses the path, with views up into the valley gardens. Enjoy the woodlands throughout the year - in autumn rich with colour and an array of fungi and, in spring, full of bluebells and wood anemones.
Yeovil Country Park consists of five green spaces at Ninesprings, Penn Hill, Wyndham Hill, Summerhouse Hill and Riverside Walk, linked by a level cycleway and footpath. It offers great recreational space and superb wildlife watching opportunities.

**Site information:**
A wheelchair-accessible picnic and BBQ area is available near Goldenstones Leisure Centre with stone plinths to hold disposable BBQs.

Dogs must be kept under control at all times especially on the main cycle path. There is a no-dogs zone around the lake for the protection of wildlife. Please clean up after your dog and take litter home.

**The Countryside Rangers**
- The Rangers provide events and activities to help people discover more about the country park’s wildlife and heritage.
- A team of volunteers help the Rangers manage the country park on a weekly basis by carrying out practical conservation tasks, litter-picking and wildlife surveys. New volunteers are always welcome.
